

Conference agenda

DAY 1: OPENING CEREMONY			
Session	Time	Topics	Presenters
Chairman: Mr. Pako Drabo, RTB			
SESSION A: OPENING CEREMONY AND INTRODUCTION TO THE SANITATION ISSUE IN WEST AFRICA	08:00-09:00	Arrival and registration of participants	Organisers
	09:00-09:20	Welcoming address and presentation of the agenda	Mr. Pako Drabo, RTB- Burkina Faso (Master of Ceremony)
	09:20-09:40	Speech of the Director of CREPA	Mr. Cheick Tidiane Tandia, CREPA- Burkina Faso
	09:40-09:50	Welcome speech of the General Coordinator of NETSSAF Coordination Action	Mr. Mirko Hänel, General Coordinator of NETSSAF, tzt Bremerhaven- Germany
	10:50-10:05	Opening Speech of the Minister of Hydraulic, Agriculture and Fishing	Mr. Laurent Sedego, Ministry of Agriculture, Hydraulic and Fishing Resources- Burkina Faso
	10:05-10:30	Keynote 1: Presentation of the NETSSAF Coordination Action	Prof. Ralf Otterpohl, Scientific Coordinator of NETSSAF, Hamburg University of Technology- Germany
	10:30-11:00	Coffee break and visit of the exposition stands	
	11:00-11:20	Keynote 2: Sustainable Development and the MDGs on Sanitation: The AfricaSan + 5 recommendations	Mr. Andreas Knapp, Water and Sanitation Program - Africa (WSP-Af) the World Bank- Ethiopia
	11:20-11:40	Keynote 3: NCCR-NS: A north-south partnership for action in the field of health and environmental science	Prof. Gueladio Cissé, Swiss Research Centre - Ivory Coast
	11:40-12:00	The ROSA project approach toward sustainable sanitation	Dr. Günter Langergraber, BOKU University- Austria
12:00-13:30	Lunch		

Session	Time	Topics	Presenters
Chairman: Dr. Elisabeth Kvarnström, SEI		Rapporteur: Mr. Christian Zurbrügg, EAWAG	
SESSION B: ACTING IN PARALLEL FOR A COMMON GOAL	13:30-14:30	PANEL GROUP DISCUSSION 1: Achieving the MDGs in sanitation in Africa: Force and weak points-constraints and opportunities	-Mr. Abdoulaye Drame, Community of Matam- Senegal -Dr. Abdoulaye Fall, Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ)- Germany -Mr. Andreas Knapp, Water and Sanitation Program - Africa (WSP-Af) the World Bank- Ethiopia -Mr. Meyer, Regional Director KfW- Burkina Faso -Mr. Cheick Tidiane Tandia, CREPA- Burkina Faso
		Facilitator: Prof. Gueladio Cissé, Swiss Research Centre - Ivory Coast	

Pathways towards Sustainable Sanitation in Africa

in Ouagadougou, Burkina Faso (24-27 September 2008)

	14:30-14:50	Adaptation of existing participatory planning tools for the peri-urban and rural context in Africa.	Mr. Martin Wafler, International Ecological Engineering Society (IEES)- Switzerland and Mr. Stefan Jung, Ecosan
	14:50-15:00	Questions, answers and discussions	Dr. Elisabeth Kvarnström, Stockholm Environment Institute (SEI)- Sweden
	15:00-15:30	Coffee break and visit of the exposition stands	
	15:30-16:00	Keynote 4: Investment on human resources: A key for sustainable development	Dr. Klutsé Kwassi, Former Prime Minister of Togo
	16:00 - 16:55	<p>PANEL GROUP DISCUSSION 2: Investment on man power (Capacity building of human resource to fulfil the MDGs in Sustainable sanitation in Africa): Core actions – Targets – Approaches</p> <p>Facilitators: Ms. Waltraud Keipp and Mr. Moussa Drabo, Bureau Ouest Africain d'Appui Organisationnel et de Technologies Appropriées (BOATA) - Mali</p>	<p>-Dr. Peter Morgan, Aquamor- Zimbabwe -Dr. Cecilia Sundberg, Swedish University of Agricultural Sciences (SLU)- Sweden -Dr. Gustave Aboua University Abobo-Adjamé (UAA)- Ivory Coast -Dr. Elizabeth Tilley, Swiss Federal Institute of Aquatic Science and Technology (EAWAG)- Switzerland - Prof. Amadou H. Maïga, International School of Water and Environmental Engineering- Burkina Faso -Dr. Amah Klutsé, CREPA – Burkina Faso</p>
	16:55-17:00	Day 1 Closure	Dr. Elisabeth Kvarnström, Stockholm Environment institute (SEI)- Sweden
SIDE EVENTS	17:30-19:30	<p>Side Event 1: ECOSAN - an opportunity for improved food security. Excreta reuse in Africa in theory and practice.</p> <p>Place: Conference main room</p>	Facilitator: Dr. Amah Klutse, Head of Research/Demonstration Department, CREPA - Burkina Faso (Event organised between the NETSSAF Expert Group 2 and CREPA)
		<p>Side Event 2: The ROSA project - Towards sustainable resources-oriented sanitation solutions</p> <p>Place: Annex Room A</p>	Facilitator: Dr. Günter Langergraber, BOKU University - Austria
		<p>Side Event 3: WASHCost: Quantifying the Cost of Delivering Safe Water, Sanitation and Hygiene Services</p> <p>Place: Annex Room B</p>	Facilitators: - Dr Patrick Moriaty, IRC WASHCost regional Coordinator - Mr. Cyrille Amegran, CREPA Coordinator- Burkina Faso

Pathways towards Sustainable Sanitation in Africa
in Ouagadougou, Burkina Faso (24-27 September 2008)

DAY 2: MDG ON SANITATION - A CHALLENGE FOR ALL			
Session	Time	Topics	Presenters
Chairman: Prof. Ralf Otterpohl, TUHH		Rapporteur: Dr. Elisabeth Tilley, EAWAG	
SESSION C: AUTHORITIES AND DECISION MAKERS; BUILDING CAPACITY FOR SUSTAINABILITY	08:30-09:00	Arrival of participants	Organisers
	09:00 - 09:10	Welcoming address and presentation of the agenda	Prof. Ralf Otterpohl, Hamburg University of Technology (TUHH)- Germany
	09:10 - 09:30	NETSSAF strategy for authority capacity building: results and lessons learned	Dr. Abdoulaye Fall, Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ)- Germany and Mr. Théophile Mbako, Municipality of Bobo-Dioulasso- Burkina Faso
	09:30 – 10:00	Presentation of the results in research and academic capacity building	Dr. Cecilia Sundberg, Swedish University of Agricultural Sciences (SLU)- Sweden
	10:00-10:30	Questions, answers and discussions	Prof. Ralf Otterpohl, Hamburg University of Technology (TUHH)- Germany
	10:30 - 11:00	Coffee break and visit of the exposition stands	
	11:00 – 12:00	PANEL GROUP DISCUSSION 3: MDGs in Africa: The view of the authorities and decision makers Facilitator: Dr. Johannes Heeb, International Ecological Engineering Society (IEES)- Switzerland	-Mr. Lambert Yapi, Maire Tiassalé –Ivory Coast -Mr. Theophil Mbakop, Municipality of Bobo Dioulasso- Burkina Faso -Mr. Abdoulaye Drame, Community of Matam- Senegal -Mr. Daouda Sanon, Municipality of Bobo Dioulasso- Burkina Faso
	12:00-13:30	Lunch	

Session	Time	Topics	Presenters
Chairman: Dr. Arno Rosemarin, SEI		Rapporteur: Dr. Pekka Pietilä, TUT	
SESSION D: NETSSAF ATTEMPTS TOWARD THE MDGS	13:30 -13:50	Sustainable sanitation in rural/peri-urban areas in Africa: A survey of typical settlements, key actors and communication channels	Ms. Waltraud Keipp, Bureau Ouest Africain d'Appui Organisationnel et de Technologies Appropriées (BOATA) - Mali
	13:50 - 14:10	The choice of sanitation systems and technologies	Mr. Christian Zurbrügg and Dr. Elizabeth Tilley Swiss Federal Institute of Aquatic Science and Technology (EAWAG)- Switzerland
	14:10 -14:25	Launch of the yellow pages of sanitation, a data base of services and material providers to support large scale implementation of sustainable sanitation options in Africa.	Ms. Leonellha Barreto Dillon, ttz Bremerhaven- Germany
	14:25 - 14:45	Financial and Economic Analysis of Ecological Sanitation in Sub-Saharan Africa	Mr. Andreas Knapp and Mr. Richard Schuen, Water and Sanitation Program - Africa (WSP-Af) the World Bank- Ethiopia

Pathways towards Sustainable Sanitation in Africa

in Ouagadougou, Burkina Faso (24-27 September 2008)

	14:45-15:00	Questions, answers and discussions	Dr. Arno Rosemarin, Stockholm Environment Institute (SEI) - Sweden
	15:00 - 15:30	Coffee break	
	15:30 - 15:50	Keynote 5: A participatory approach of planning and budgeting projects within the local agenda 21 process in a low incomes populated city of Matam (Senegal)	Mr. Abdoulaye Dramé, Mayor of the Community of Matam- Senegal
	15:50 – 16:10	Introduction of the NETSSAF Participatory Planning Approach, a tutorial for sustainable planning	Ms. Leonellha Barreto Dillon, ttz Bremerhaven- Germany and Mr. Christopher Buzie, Hamburg University of Technology- Germany
	16:10 - 16:30	Application of Existing Knowledge: The Only Way to Meet the MDG Sanitation Target in Developing Countries	Prof. Duncan Mara, University of Leeds- England
	16:30-16:55	Questions, answers and discussions	Dr. Arno Rosemarin. Stockholm Environment Institute (SEI)- Sweden
	16:55-17:00	Day 2 Closure	Dr. Arno Rosemarin, Stockholm Environment Institute (SEI) - Sweden
SIDE EVENTS	17:30-19:30	<p>Side Event 1: SPLASH consultation on "Innovative research partnerships in Water for Development".</p> <p>(Presentation about demand-led research programs and group discussion on concepts and strategies for southern capacity building). (Presentation in English with slides in French, and group discussion in French and English)</p> <p>Place: Conference main Room</p>	Facilitators: Mr. Aard Hartveld, Mrs. Manon Rabanit, Mr. Gil Mahee and Mr. Loris Houssier, Austrian Development Agency-SPLASH
		<p>Side Event 2: The Sustainable Sanitation Alliance - Towards more sustainable sanitation solutions for Africa</p> <p>Place: Annex Room A</p>	Facilitator: Mr. Sören Rüd, Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ)- Germany
		<p>Side Event 3: Experience of WaterAid on Community Total Led Sanitation, WaterAid / Burkina Faso</p> <p>Place: Annex Room B</p>	Facilitator: Ada Oko Williams, Coordinator of the Regional learning Centre on CLTS, WaterAid / Nigeria

DAY 3: RESOURCES AND PARTNERSHIP FOR ACTION TOWARD LARGE SCALE IMPLEMENTATION OF SUSTAINABLE SANITATION IN AFRICA (NETSSAF 2)

Pathways towards Sustainable Sanitation in Africa
in Ouagadougou, Burkina Faso (24-27 September 2008)

Session	Time	Topics	Presenters
Chairman: Prof. Pascal Valentin Houénou, UAA		Rapporteur: Mr. Stefan Jung, Ecosan Club Austria	
SESSION E: TECHNICAL AND RESEARCH DEVELOPMENT	08:30-09:00	Arrival of participants	Organisers
	09:00 - 09:10	Welcoming address and wrap up of Day 2	Moderator
	09:10 - 09:40	Keynote 6: Use of excreta nutrients - opportunities and knowledge gaps	Prof. Håkan Jönsson, Swedish University of Agricultural Sciences (SLU)- Sweden
	09:40 - 10:10	Ecological sanitation – selected example projects from sub-Saharan Africa, Asia and Europe	Mr. Sören Rüd, Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ)- Germany
	10:10- 10:30	Questions, answers and discussions	Prof. Pascal Valentin Houénou, (UAA) University of Abobo Adjamé- Ivory Coast
	10:30-11:00	Coffee break and visit of the exposition stands	
	11:00-11:20	Keynote 7: Alternative use of wastewater for biomass production	Mr. Mirko Hänel, ttz Bremerhaven- Germany
	11:20 - 11:40	Agro reuse of composted human faecal material for productive sanitation systems	Mr. Patrick A. Ogwo, Dept. of Environmental Resource Magt., Abia State University, Uturu
	11:40-12:00	Peepoobag- self sanitising single use biodegradable toilet	Prof. Håkan Jönsson, Swedish University of Agricultural Sciences (SLU)- Sweden
	12:00-12:20	Questions, answers and discussions	Prof. Pascal Valentin Houénou, (UAA) University of Abobo Adjamé- Ivory Coast
12:20-13:30	Lunch		

Session	Time	Topics	Presenters
Chairman: Prof. Håkan Jönsson, SLU		Rapporteur: Mr. Christopher Buzie, TUHH	
SESSION F: LOOKING TOWARD THE FUTURE	13:30 - 13:50	An overview of the sanitation situation in Ghana, opportunities, challenges and the way forward	Mr. Kweku Quansah, National Director of Sanitation at the Ministry of Local Government, Rural Development and Environment, Ghana
	13:50 - 14:50	The SuSanA initiative: An approach towards more sustainable sanitation	Mr. Sören Rüd, Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ)- Germany
	14:50 - 15:00	Questions, answers and discussions	Prof. Håkan Jönsson, Swedish University of Agricultural Sciences (SLU)- Sweden
	15:00 - 15:30	Coffee break and visit of the exposition stands	
	15:30-16:10	Presentation of the Proposal for NETSSAF 2, perspectives of Interlinking NETSSAF and other initiatives	Dr. Pekka Pietilä, Tampere University of Technology (TUT)- Finland and Ms. Pilar Zapata, BioAzul- Spain

Pathways towards Sustainable Sanitation in Africa
in Ouagadougou, Burkina Faso (24-27 September 2008)

	16:10 - 16:50	<p>PANEL GROUP DISCUSSION 4: Working together for future challenges: strategies and constraints Facilitator: Dr. Arno Rosemarin, Stockholm Environment Institute – SEI, Sweden</p>	<p>-Dr. Johannes Heeb, International Ecological Engineering Society (IEES)- Switzerland -Ms. Waltraud Keipp, Bureau Ouest Africain d'Appui Organisationnel et de Technologies Appropriées (BOATA) - Mali -Mr. Evariste Yameogo, Municipality of Bobo Dioulasso- Burkina Faso -Dr. Siméon Kenfack, CREPA- Burkina Faso -Dr. Abdoulaye Fall, Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ)- Germany</p>
	16:50 - 17:00	Conference summary and closure	Prof. Håkan Jönsson, Swedish University of Agricultural Sciences (SLU)- Sweden
	17:30-18:30	<p>Press conference Azalaï, Hotel Indépendance (All the chairmen of sessions, Director of CREPA, Mr. Mirko Hänel and Mr. Francis Bougaïré)</p>	Mr. Cyriaque Paré, www.lefaso.net , Burkina Faso
	20:00	Dinner Party (Azalaï, Hotel Indépendance)	

DAY 4: FIELD TRIP			
Session	Time	Topics	Presenters
Organisers: Mr. Theophile Mbakop, Mr. Anselme Vodounhessi, Dr. Halidou Koanda and Mr. Linus Dagerskog, CREPA			
FIELD TRIPS	09:00-13:00	Sabtenga - ECOSAN UE Ouaga project and the Kossodo Wastewater treatment plant	Mr. Linus Dagerskog
	09:00-13:00	ECOSAN UE Ouaga project , the Kossodo Wastewater treatment plant and Sabtenga	Dr. Halidou Koanda
